Join Us and Show Your Support for the Arts

Founded in 1985, the Elmore County Art Guild, is the oldest art organization in Elmore County. Today, the membership is made up of approximately sixty diverse individuals with varying backgrounds and interest. Regular meetings, which include educational programs, are held on the second Wednesday of every month with the exception of June, July, and August.

The primary objective of the Guild is to advance and promote the appreciation, enjoyment, and exhibition of the visual arts, for the mutual improvement, cultural benefit, and social enlightenment of Guild members and the public at large.

In addition to organizing annual adjudicated exhibitions, the Guild maintains regular ongoing exhibits with art for sale at several locations. The Guild also sponsors several community outreach projects, including the annual Elmore County wide “Sparking the Arts” Student Achievement Program.

Membership in the Guild includes a monthly newsletter, email alerts, and a chance to display art for sale. Membership is open to anyone 18 years of age or older that is an artist or is interested in supporting and promoting the arts. All donations to the Guild, which is a 501(c)(3) non-profit organization, are tax deductible to the extent provided by law. Guild membership has many advantages and opportunities. Volunteering is one of the best ways you can support the Guild and contribute to its success. Several ways to volunteer are: serve on a committee, teach a workshop, assist with take-in and hanging of exhibitions, assist with receptions, and assist with publicity or fundraising.

For more information about the Guild visit the ECAG website at ElmoreCountyArtGuild.com or like us on Facebook.

Juror's Statement

The quality of work in this year's exhibition is very strong, and I want to thank Shirley Esco for the opportunity to view the visual work of a talented group of individuals

I want to single out the work of a select set of artists. Erica Naylor's "The Pity" is an incredibly well-created piece, as is Teresa Wamble's "The Politician and His Nosey Friends." Karen Thornhill's use of motif in "Poppies" is excellent, and Jennifer Levins' "Red Trolley Ride" is an eye-catcher that immediately grabs your attention. Carla Luck's "Zoom America" is not only timely but thought-provoking, The work of Judie Hooks is assembled beautifully, and I particularly enjoy her compelling use of the "Local." I'm quite pleased I didn't have to select a best of show, because Ms. Hooks and Ms. Levins would have made my decision very difficult.

I congratulate all the winners, the artists involved, and the Elmore County Art Guild for a great show.
